Hi everyone,

Artic Slope completed the summary of the comments. The folder is located on the H:\ Drive. The path is: H:\Artic Slope Public Comment Dockets\_ITTMD\2021-0409. The spreadsheet is named 2021-0409. It is in Theme order, alphabetically.

PRD is still going through the comments that need additional review. I will send a note to the team once I have identified any additional information for the team's consideration.

Have a great long weekend!

Rachel

That's fine with me, I think the plan was the discuss the comments today, so if they are not ready we can wait for you all the have a report and we can reconvene then.

Does that sound ok with everyone else?

Hi Nora,

PRD doesn't have any updates to share related to the petition. We're working on a comment summary now, and plan to share with the group when completed. Unless there are other updates from others, we don't think we need to meet.

Thanks,  
Cathryn
